We are learning to...

w/c: 06/11/2023

Personal, Social and Emotional Development

This week, we are learning about attentive listening and following multi-step instructions.

At home

At home, play games such as Simon Says (introduce multi-step instructions for a challenge) or Chinese whispers, to further develop their listening skills.

Communication and Language

This week, we will be discussing Stranger Danger and the importance of staying safe.

At home

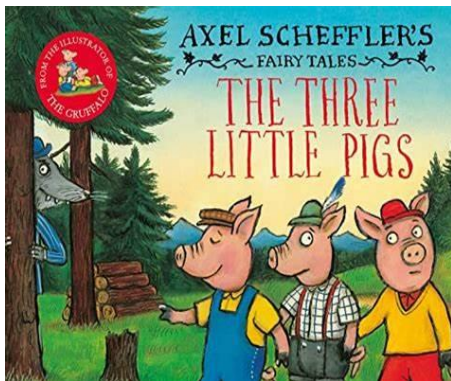

Discuss with your child what a stranger is and what your child should do if they get lost. Teach your child your mobile number so that they can make contact with you if lost.

Physical Development

This week, we have been practising our gross motor skills through dance, both copying and making our own moves up!

At home

At home, try following the Cha Cha slide or the Macarena! Video your moves and send them to your portfolio. Or perhaps make your own obstacle course at home.

English

This week in English, we are reading 'The Three Little Pigs'. The children will be learning about sequencing the story and retelling it using story puppets.

At home

At home, discuss the story. What can they remember? In which order were the houses built? Do they know a different ending? Perhaps watch this story about the Three Little Pigs from the wolf's perspective!

Maths

We are learning the numbers 4 and 5 using our TenTown characters: Freddie Four and Fiona Five. Children will have the opportunity to practise drawing their numbers 1-5, as well as demonstrating their understanding of the numbers by counting using 1:1 correspondence.

At home

Practise counting household objects to 5. Ask your child to show you a certain number of fingers (0-5). Can they recall this quickly? Can they draw the numbers when asked? In order?

At home you may want to...

- Login to Numbots and earn some more coins and stars!
- Build your own den/house in the Enchanted Woodlands or at home. Is it wolf-proof?
-

Reminders

- PE Kit: white top, black trousers/shorts, black or red jumper and black shoes every Tuesday morning.
- As the weather is now changing, please ensure your child comes to school with a coat, hat, gloves that are all clearly named please. We also request children bring in a pair of wellington boots that can be kept in school in case of rain or for puddle jumping!
- Halloween disco is on Monday after school 3:15-4:30pm.
