

Personal, Social and Emotional Development

This week, we are talking about and sharing our ideas. We want to develop our confidence when speaking in front of a group and using full sentences to explain my ideas.

At home

Practise speaking in a full sentence to describe animals that you know.

Communication and Language

This week, we are discussing materials and their properties.

We are identifying natural objects and man-made objects.

At home

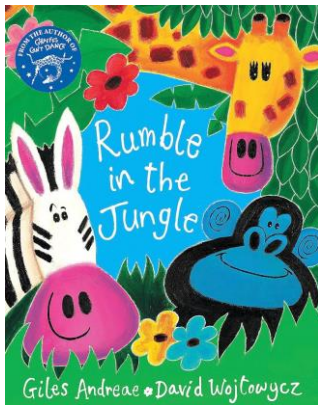

What materials do you see around the house? Can you describe their properties?

Physical Development

We are working on our fine motor skills this week, particularly pencil grip and scissor skills.

At home

Can you make a craft using cutting and sticking skills, to practise your scissor skills? Practise your pencil grip and write some adjectives.

English

This week, we are reading Rumble in the Jungle. We are discussing different animals that live in the jungle, describing them using adjectives and spotting rhyming words.

At home

Draw your own jungle scene and write some adjectives to describe what you have drawn.

Can you make a rhyming string of words? For example, log, dog, frog.

Maths

This week we are learning about mass and capacity. We are using the vocabulary, heavy, light, heavier than and lighter than to describe mass. We are making predictions about the capacity of different containers based on their size and shape and also revisiting previously learnt vocabulary (empty, full, nearly empty/full and half empty/full).

At home

Can you explore the capacity of different sized containers in the kitchen? Which container holds the most? Which holds the least?

Word Aware

These are the words we are learning this week taken from our text, The Singing Mermaid:

Rumble, jungle, rustling, animals, safari, ravenous, den, leap and delight.

Reminders

- PE kit: white top, black trousers/shorts, black or red jumper and black shoes every **Tuesday**.
- World Book Day is next Thursday, information has been shared on the class story and the whole school dojo page.
