

Personal, Social and Emotional Development

We will be learning about hygiene and how to look after ourselves.

At home

Wash your hands whilst singing. How many times can you sing your favourite song before your hands are clean?

Can you help clean or tidy at home?

Communication and Language

We will be learning lots of new words linked to our body. Practise using these words at home.

At home

Identify the body parts you have learnt this week.

Sing songs linked to your body parts e.g. head, shoulders, knees

Physical Development

We will be learning about how our heart works. Exercise is a great way to keep your heart and body healthy.

At home

Develop an exercise routine that you could share with family and friends.

Note down how your heart feels

English

This week, we are reading a non-fiction text about how our body works. We will be looking at different body parts and their purpose. We will learn lots of different facts about our bodies and create our own fact file.

At home

Create a fact file about something else you are interested in e.g. cars, PJ masks, Toy Story? You could write it or record it by video. What key facts do you want to share?

Maths

This week we are exploring grouping. We will talk about groups linked to repeated addition, and eventually multiplication. We will link this to our knowledge of doubles and use this to show equal groups.

At home

Put out your toys - can you put them into equal groups? How many groups do you have?

Word Aware

These are the words we are learning this week taken from our text and more.

- Lungs, heart, organs, body parts, brain, stomach, spine.
- Groups, equal, multiply, add double.

Reminders

PE kit: white top, black trousers/shorts, black or red jumper and black shoes every **Tuesday**.

- Don't forget to check your Forest Fun Days which can be found on Class Dojo.
- Next week is half term! We return on Monday, 3rd June 2024. We are excited to share our final term in Reception together.
