

Environmental

- To make a positive environmental impact
- To work with nature, not against
- To achieve a sustainable balance between economic, social and environmental factors

Social

- Local community ownership
- Educate, enable and inspire people to realise their full potential
- Promote social health and well-being

Economic

- To sustain financial independence
- To create products and provide services of value to the community

TEMPLE HILL TRUST'S VISION

A vibrant, welcoming community without anti-social behaviour where people of all ages feel safe and supported, care for their environment and are proud of where they live
