

Personal, Social and Emotional Development

This week, we are talking about our school values and how we can demonstrate them.

At home

Discuss our school values. What is equality? Why should we be respectful and kind?
How do we show responsibility?

Communication and Language

This week, we are talking about ourselves, our friends and our families. We are identifying what makes us special and what similarities we all have.

At home

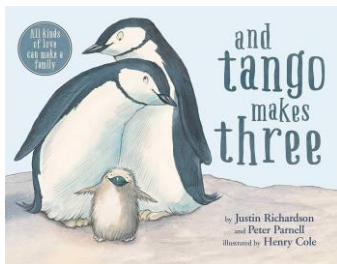

Can you compare yourself and your sibling/parent? What is similar and what is different?

Physical Development

We are working on our fine motor skills this week, particularly how to use tools such as a knife and fork.

At home

Practise using a knife and fork to eat your dinner. Can you cut your food independently?

English

This week, we are reading and Tango makes three. We are discussing our families, such as what a family is and what they do for each other. We are celebrating our similarities and differences, and learning about equality.

At home

Who do you live with? Draw a picture of your family and write about them. Do you have siblings? What do you play with them? Have a look through family photographs and discuss the different people and how they are related.

Maths

This week we are learning about place value. We are counting up to 20 and focusing on understanding the value of tens and ones. We will also have one lesson on money and will learn the value of the different coins.

At home

Can you count forwards to 20 and backwards from 20? Can you demonstrate your understanding of place value by building numbers using tens and ones?

What coins do you have in the house? Use them in a role-playing game, such as a supermarket.

Word Aware

These are the words we are learning this week taken from our text, The Singing Mermaid:

zoo, family, different, couple, pond, toucan, nest, hatch and beak.

Reminders

- PE kit: white top, black trousers/shorts, black or red jumper and black shoes every **Tuesday**.
- World Book Day this Thursday - we are excited to see your costumes!
