

Personal, Social and Emotional Development

This week, we are learning about life cycles - ours and others.

We will be exploring how we've changed and how we will grow.

At home

Talk to your family members - what has changed since they were 4 or 5?

Look at your baby photos - What's the same? What's different?

Communication and Language

We are going to be using sequencing vocabulary to help us organise the story.

It is important we can use these words appropriately in conversation.

At home

Practise some key words at home and use them in your discussions.

Examples:

Next, then, yesterday, tomorrow, earlier, later

Physical Development

We are working on our gross motor skills and developing our hand-eye co-ordination.

At home

Use a ball or round object at home - can you roll, throw, and catch?

Play catch with someone else - how many times can you throw and catch without dropping it!

English

This week, we are reading The Very Hungry Caterpillar. We will be sequencing the story and learning about the days of the week. We will also be thinking about the caterpillar's and our own food diary. What would you like to eat this week?

At home

Practise naming the days of the week. Which day is tomorrow? How many days in a week? Perhaps keep a food diary of the things you eat for breakfast and dinner. Which is your favourite meal?

Maths

This week we are learning about numbers to 20 and beyond. We will be counting forwards and backwards. We are going to order numbers from biggest to smallest, and vice versa. We will be learning to count on from any given number, so we learn that we don't always have to start at zero.

At home

Where do you see numbers in your environment? What numbers do you see on the way to or from school? Find the

Word Aware

These are the words we are learning this week taken from our text.
