

Temple Hill Primary Academy Primary Physical Education and Sport Funding 2019-2020

Background - The primary school sport premium is £150 million per annum of government funding jointly provided by the Departments for Education, Health and Culture, Media and Sport. Investment will go direct to individual primary schools and is designed to support improvements in the quality and depth of PE and school sport in addition to the curriculum.

Outcomes - The Department for Education vision is that all pupils leaving primary school are physically literate and have the knowledge, skills and motivation necessary to equip them for a healthy lifestyle and lifelong participation in physical activity and sport. The objective is to achieve self-sustaining improvement in the quality of PE and sport that delivers high quality provision of a balanced and holistic PE and school sport. Areas to develop include;

- The engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles
- The profile of PE and sport being raised across the school as a tool for whole school improvement
- Increased confidence, knowledge and skills of all staff in teaching PE and sport
- Broader experience of a range of sports and activities offered to all pupils
- Increased participation in competitive sport

Funding – Temple Hill Primary Academy received £22,060 which we use to support these outcomes through various options including; release of staff for CPD, employing specialists to work alongside teachers, work with other schools and partnerships, transport, equipment and to support the provision of sport.

The total funding for the academic year	2019-2020	£22,060
--	------------------	----------------

Accountability & Impact – As a school, we're required to keep parents informed and publish plans for deployment of premium funding on our website by July of each academic year. As part of this, we're expected to track pupils to be able to show what improvements have been made and [evidence the impact](#) of the sport premium. From September 2013, [Ofsted](#) inspectors can assess and report on how effectively this funding is being used when making the judgement on the quality of the school's leadership and management.

Lead member of staff responsible:	Karen Humphris (PE and Sports Leader)

School Swimming Lessons (ensure 90% or more pupils leave school with being able to swim 25 meters of more)	being able to swim 25 meters confidently, proficiently and competently in more than one stroke		<p>lifestyles' particularly around swimming.</p> <p>Learn an important life skill – self rescue</p> <p>Evidence: Timetables, awards and planning.</p> <p style="background-color: yellow;">Unfortunately due to Covid-19, we were unable to complete our swimming lessons this year, however out of the 80 children who attended lessons only 2 children were unable to swim without floating aids (that's less than 3%).</p>	Continue to develop a healthy lifestyle encouraging parents to take their children to the local swimming facilities.
Sports Coaches (ensure curriculum coverage and high quality CPD for staff)	To improve participation of vulnerable groups in PE	£7533	<p>Provision for vulnerable groups has increased significantly as well as participation within school lessons and clubs.</p> <p>Staff CPD has enabled pupils to develop confidence and self-esteem allowing them to engage fully in sports</p>	Continue to develop the mentor role in order to ensure continued engagement in PE
Total spent		£22,060		

Highlighted yellow indicates a project which may not have been fully completed due to main school closing for an extended period. Funding not used in these projects was spent on upskilling ATs and Teachers with qualifies coaches where sessions were modelled and team taught by coaches and school staff within bubbles. In September, teachers and support staff will now lead PE lessons weekly which was not in place this year.
